

At IAS we have a comprehensive product knowledgebase that includes many well known automation products and systems in the market today. Our diverse product experience is highlighted by direct certifications from manufacturers. This ensures our customers that they've partnered with an automation company focused on employing the best systems and techniques available.

Controller Systems PAC/PLC

- :: Advantech
- :: Allen Bradley
- :: Automation Direct
- :: B&R Automation
- :: GE
- :: Giddings and Lewis
- :: National Instruments
- :: Rockwell Automation
- :: Schneider Electric
- :: Siemens

Enterprise/IT Software

- :: Business Systems
 - : Job Boss
 - : SAP Integration (NetWeaver)
- :: Software Development
 - : Flex/Rich Internet Applications
 - : JAVA
 - : LABview
 - : Microsoft .NET Family of Technologies

Vision Systems

- :: SICK 2D/3D Vision—ASVI

Motion/Robotic Systems

- :: Berger Lahr
- :: B&R Automation
- :: Danaher
- :: Exlar Actuators
- :: Fanuc Robots
- :: Intelligent Actuators
- :: KEB Motors & Drives
- :: KUKA Robotics
- :: Motoman
- :: Parker Automation
- :: Rockwell Automation
- :: Schneider Electric
- :: SynqNet Motion
- :: Yaskawa Electric

Sensors and Instruments

- :: Banner Engineering
- :: Dwyer Instruments
- :: Endress & Hauser
- :: Fluke
- :: IFM Efector
- :: Keyence
- :: Omega Engineering
- :: Pepperl & Fuchs
- :: PSC
- :: Rosemont
- :: SICK Sensors
- :: Symbol Technologies
- :: Turck RFID and Sensors

Automation Components

- :: Automation Direct
- :: Balder
- :: Beckhoff Automation
- :: Festo
- :: Giddings and Lewis
- :: Hoffman
- :: Moeller Electric
- :: Opto
- :: Phoenix Contact
- :: Rittal
- :: WAGO

- :: Watlow
- :: Weidmüller
- :: Woodhead Industries

Automation and Design Software

- :: Autodesk
- :: Automation Studio
- :: ICONICS
- :: CoDeSys
- :: LabVIEW
- :: Promis.E
- :: Rockwell Software
- :: SolidWorks
- :: Wonderware

DCS

- :: Automax System Migration

Database Development

- :: Legacy Databases
- :: MySQL
- :: Oracle
- :: SQL Server
